

Dear friends! I have some good news for you!

1) **Hammenhög's Rotaryklubb** (D2390) successfully realized a special Project - **Concert in Borrbý Church** (2024-04-03), aimed to support the repair the preschool "**Little Bell**" (**Dzvynochok**) in Ichnia city, Ukraine. The evening began with a bell ringing. In the beginning, **Elise Einarsdotter** played the grand piano, **Cecilia Kjellén** recorder and then **Katja Dragojevic-Nylander** sang. After enjoying part one, the president took over and told why Hammenhög's Rotary Club chose to help the preschool "Little Bell", then **Tamila Suleimanova** sang a solo song about Crimea and **Myroslava Romanivk** with the team Kvitka Sniv sang and played Ukrainian folk songs. There were many who had tears in their eyes during this atmospheric part. **Thanks to RC President Lars Andersson**, pls, see more information in the **Event Bulletin** attached.

The result of the concert in Borrbý Church: SEK 54,675!!! €3000 from this amount will go to cover the final 2 Invoices of the Dzvynochok (Little Bell) Kindergarten repair.

2) **Many THANKS** for donations to our good friends from **Orust Rotaryklubb**, President **Konsult Jan-Sture Magnusson (€2 708,29)** and **Stenungsund Rotaryklubb**, President **Fredrik Vedin (€794)**. Bank docs attached.

THANKS to dear friends who are always on-line ☺
@Susanne Liljelid and **@Kerstin Malm-Andersson!**

If you agree, we will direct your donations to the next goal – the **Special Needs Inclusion-Resources Center in Ichnya city**. They are now waiting for the budget estimation from the Brigade, and I will share the documents with you, as usual. Is it OK with you?

3) **Christina Famova**, our acting President, handed over 6 boxes of children's clothing, shoes and toys to children in the **Special Inclusion School-Internat No. 8 in Kyiv city**. Our Club helps to this School already for more than 20 years! **Thanks to our Swedish friends** for your support and help! **@Lena L Ekman @Anneli Lillmaa @Anneli Löfström @Susanne Liljelid @Sten-Åke Lyngstam and all friends in Sweden!**

4) **Dzvinochok** is in the repair process in parallel to regular life ☺ Craftsmen repaired the ceiling in the dressing room, bathroom, psychologist's and nurse's offices. Despite a childhood overshadowed by the war, after the completion of the work, the pupils of the kindergarten will study and grow in more comfortable conditions.

We sincerely thank our friends from Rotary Worldwide Community for your open hearts, reliable support and unwavering faith in Good!

5) Last week we received 31 Electric Generator from **#RotarySwedenHelpsUkraine**. It's a pity, but shelling and lockouts still continue on the East and South. **Thank you @Erik Lundquist and all the Team!**

Our Chernihiv team sent generators to the front-line territories, mostly to Kharkiv, Chernihiv, Zaporizhzhia and other regions where civilians are currently struggling in lockouts after Russian shelling and bombing.

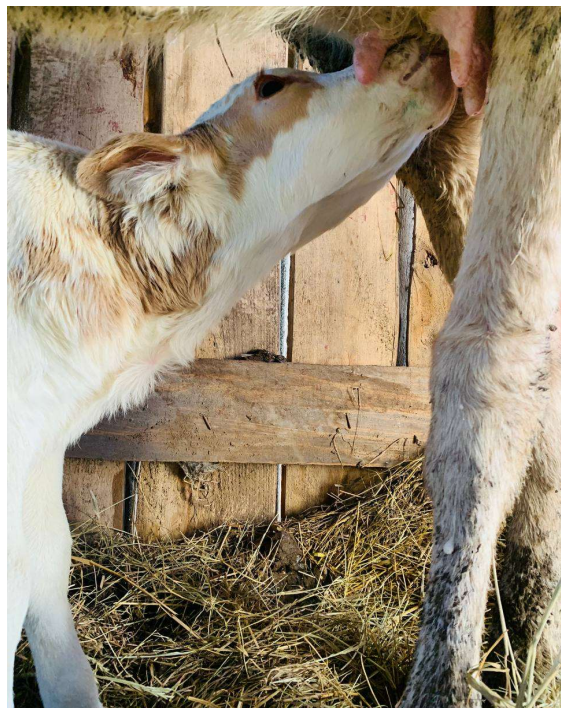

At the photo – unbreakable Saltivska Community, Kharkiv region. We delivered one generator there. +30 humanitarian hubs, communal enterprises, lonely people with needs and others in pre-front regions received the same generators this week. More photos – later on.

6) The Team in "**Sokolyatko**" Kindergarten & Rehabilitation and development center is continuing their work on transforming their Basement to nice-looking Shelter, and it's looking better and better day after day.

But the main news came from the Sokoliatko barn - **a calf was born there!** As now here is the **Kviten** month (April in Ukr), they gave it the name **Kvitka** ☺

As usual, you are kindly invited to visit, like, follow our official Rotary club Facebook page
