Dear Torsten, dear Rotary friends, and "Ystad Soroptimist"!

We are very grateful for your support of Ukraine in this horrible time! Your donation of 40,000 SEK helped the Ichnya Town Lyceum #4 improve this school year and better prepare the application for the Rotary Foundation Global Grant for the Space of Strength and Support development. So, you are our Rotary Magic angels 😊

Thanks to your donation, we purchased and presented to the Ichnya Town Lyceum #4 brand-new Educational Equipment for a total of 194,998 UHR, as per the Request and Invoice (please see the attached documents and photos).

THANK YOU VERY MUCH! AND MAY GOD BLESS YOU!

We want you to know that our Club is open to those who have compassion and lend us a hand in times of trials and tribulations. We do our best to deliver aid to Ukrainians in need efficiently. And we are transparent. Please visit our Facebook page to see more daily news about our activity:
